Dear Comrades and Sisters,

Due to the current outbreak of Covid 19, all post and auxiliary meetings are postponed until further notice.

Since the post and auxiliary have not completed their elections, all serving officers will remain in place until such time as we can meet again and elect officers. Nominations and elections for 2020 – 2021 officers will be held when meetings are rescheduled.

Please keep in mind that the post is shut down until we receive the ok to reopen, however if you need to contact the post, you can by phone and leave a message.

Richard Luemen,
Post Commander

Maureen Luemen,
Auxiliary President
